Edith Stein: The Seventh Chamber

This film is a moving, artistic portrayal of the life of Jewish philosopher, Catholic convert, and Carmelite martyr, Edith Stein. It powerfully captures the interior struggles of this extraordinary woman and her journey toward the Lord.

Clare and Francis

This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare. Both founded major religious orders, and together they inspired many to follow their radical call to live the Gospel.
