Original Sin

389 The doctrine of original sin is, so to speak, the "reverse side" of the Good News that Jesus is the Saviour of all men, that all need salvation and that salvation is offered to all through Christ. the Church, which has the mind of Christ, knows very well that we cannot tamper with the revelation of original sin without undermining the mystery of Christ.

We will walk in the footsteps of Jesus by Praying the Stations of the Cross every Friday during Lent. Please join us this **Friday, March 10th @ 7pm.**

Please pray for those who are sick; **Roger Bedard, Tony Carozza & Gabriella Ciccanti**
And those who have died; **Ralph Simonetta**

WINTER CINEMA SERIES Thursdays @ 7pm

Burmese Harp (1956 1h 56min) A soldier, thought dead, disguises himself as a Buddhist monk and stumbles upon spiritual enlightenment. THE BURMESE HARP is an eloquent meditation on beauty coexisting with death and remains one of Japanese cinema's most overwhelming antiwar statements, both tender and brutal in its grappling with Japan's wartime legacy.
