## New Confessional Fundraising

Fr. Jim along with a few parishioners have been working very hard to setup a peaceful, welcoming space for parishioners to celebrate the sacrament of Reconciliation. Like all things, we have had to incur some costs along the way. If you would like to help contribute to this new endeavour, please feel free to add a donation to the offertory basket and label it as "fundraising". We truly appreciate all the help you continue to give in support of our parish. **Please see the back of the bulletin for a breakdown of the cost.**

## We hope everyone had a safe and successful first week of school!

Over the next few weeks, we will be working on putting together sacramental packages for First Communion and Confirmation. We hope to have them to the school by the end of September. Although we work with the school and strive to keep them in the loop, the job of preparing our children for the sacraments is the responsibility of the church. Fr. Jim would like to know if there are any parishioners who may feel the call to become a catechist and help him in the formation of our children. Please speak to Fr. Jim after Mass if you would like to find out a little more about the programs.

## Fall Cinema Series

**Thursday at 7pm---High Noon (1951 87min.)** Aristotle said that the most perfect theatre is the simultaneous union of person, time, place, and action. This film is a perfect movie. The whole drama begins in real time at 10:30am and ends at high noon. Plus, it also has one of the best suited theme songs in the history of cinema.

Last week's collection total was **\$3772.00** (including PAG)
