Padre Pio: Miracle Man

This movie captures the Capuchin friar's intense faith, devotion, and deep spiritual concern for others, as well as his great compassion for the sick and suffering. It reveals the amazing details and events in Padre Pio's life as a boy and throughout his fifty years as a friar, dramatizing the frequent attacks from the devil, as well as the persecution he suffered at the hands of people, including those in the Church.

The Reluctant Saint: The Story of St. Joseph Cupertino

This film portrays the life of St. Joseph of Cupertino, the humble Franciscan friar who literally rose to sainthood. In the impoverished village of seventeenth century Cupertino, Italy, Joseph's peasant mother convinces the reluctant abbot to accept her son into the monastery. With the support of the kindly local bishop who sees in him a great deal more than others do, and by a series of miraculous incidents, the simple but pious Joseph is ordained a priest.
